Benefits of Club Patron Membership

At Treasure Coast Golf Association (TCGA), we foster more than a love for the game; we are building a thriving community of clubs, golfers, businesses, and charities to enrich the golf experience offered by the Treasure Coast region.

As a Club Patron you'll enjoy a new strategic partner, increased exposure, and a variety of new resources that we will tailor specifically to benefit your club.

Extended Reach: Gain direct exposure to thousands of resident golfers, and the broader audience of seasonal and vacationing golfers.

Marketing: More than advertising, our professional marketers review your website and suggest tweaks to optimize it for your club and event listings, as well as our digital newsletters and magazines.

Opportunities: Your club's commitment to the golf community is showcased when you host or sponsor tournaments, events, and charitable fundraisers. TCGA will refer the business and charitable events that suit your club the best.

Club Members: Your members receive entry priority in all TCGA tournaments and events.

TCGA Support

Information Center: TCGA's website provides a central location for organizers to list your club's tournaments and events. We encourage them to post pictures and tournament results.

Programs: TCGA can supplement your club's programming with guest professional schools, specialty clinics, junior programs, and educational opportunities.

Stay/Play/Travel: Interested in hosting guest play at your club? Are your members interested in golf travel packages? TCGA curates golf travel packages nationally and internationally.

Networking: As a Club Patron, your members gain opportunities to meet fellow enthusiasts and enjoy playing throughout the region in organized tournaments and events.
